## Automatic Funds Transfer

To make parish donations more convenient, many parishioners have asked us about the possibility of automatically transferring funds from their checking or savings account to the St. Mary Catholic Church account.

Automatic fund transfers have proven to be an efficient and convenient method for many people to meet their financial commitments. It is also very helpful to our parish for budgeting and planning various programs and expenses throughout the year.

If you wish to take advantage of this convenient method of making parish contributions, please complete and return the form below:
